## **Certified 'AA' for direct food contact**

We're very proud to announce that we received the '**AA**' certification in our annual BRCGS audit – the highest possible grade for direct food contact packaging.

Huge congratulations go to the hardworking Reedbut Group team, who put in so much effort to achieve this certification. Well done, all!

# BRCGS

## Packaging and Packaging Materials

### **CERTIFICATED**

BRCGS certification means we can continue to manufacture food-safe, sustainable, bespoke cardboard boxes for our customers. Whether it's for eCommerce, retail, or a shelf-ready solution, we can design packaging for cakes, juice, fruit & veg, pizza, and much more!

## A makeover at Milton Keynes

During June and July this year we've made some big changes to the factory at our Milton Keynes site! We've installed brand new conveyors for a fully-automated line able to handle products up to 3m wide, with barcode readers to accurately monitor all our stock, and an in-line pallet press and stretch wrapper.

This new automation will streamline our manufacturing processes to greatly increase efficiency and capacity, while offering improved product presentation and material handling!
