World Travel Catering & Onboard Services Expo

We exhibited at in Hamburg last month for WTCE 2024! It was a fantastic chance for us to demonstrate our skytidy® range of sustainable airline packaging products for inflight services.

We were really proud to exhibit at Hamburg Messe once again this year - it was a brilliant show! You can read all our exhibition highlights on our website.

BRCGS

We've achieved an A+ in our latest BRCGS audit!

This was our first ever unannounced audit and we're really proud of the result.

The graphic features a light green background with a white and blue wavy border on the right. On the left, the text 'BRCGS RATED' is in large, bold, teal letters with a white outline. Below it, 'FOR DIRECT FOOD CONTACT PACKAGING' is written in smaller, teal, all-caps letters. A large, white 'A+' with a teal outline is positioned to the right of the 'RATED' text. In the bottom left, a blue rounded rectangle contains the text 'FIND OUT MORE' in white, followed by 'reedbut.com' in white and 'PROTECTING THE *environment* THROUGH INNOVATIVE PACKAGING' in smaller white text. On the right, a white circular area contains the 'BRCGS' logo in blue, the text 'Packaging Materials' in blue, and a blue bar with 'CERTIFICATED' in white.

Congratulations and huge thanks to the Reedbut Group team for all their hard work, and especially to our **QSHE Manager Matt Spring** with his first audit since qualifying as a BRCGS professional!
